

## **Interactive Sessions on "Vivekananda – Rousing Call to the YOU<sup>th</sup>"**

Swami Vivekananda, one of the greatest visionaries of the world, had a great faith in channelizing the youth power towards nation building. His electrifying words have been motivating millions and millions of people towards leading a life of fulfillment by serving the nation.

Disha conducted one-hour sessions on "***Vivekananda – Rousing Call to the YOU<sup>th</sup>***" in lieu of Vivekananda Jayanti. The program was unique in both its approach and the message. The session included a **talk** on the **different aspects of Swami Vivekananda's personality** (blemish less character, patriotic fervor, cultural ambassador, and propagator of seva) and the second half was dedicated to a **video interaction** which focused on how each individual can imbibe the personality traits of Swami Vivekananda mentioned above. The session also highlighted the **relevance of the historic speech Swamiji** delivered in **Chicago** 125 years ago.

The specialty of this year, Disha conducted **2 training programs** towards training participants on conducting the one-hour session in institutions in which over **75 participants** took part. These volunteers went around contacting institutions, fixing the programs and conducted themselves in few places as well.

Disha, with a dedicated team of volunteers, in a span of just **one month (Jan 6 to Feb 7)**, conducted **239 sessions** reaching exactly **200 institutions** taking the message of Swamiji to **37,000** students. We reached to **the urban, semi-urban and rural** places. The institutions ranged from primary school to the post graduate level and to the professional courses. We even conducted a few programs for general public.

At the end of the session, Swamiji's call to the youth to have a blemish less character, nationalistic spirit, faith in one's culture and empathy towards others were highlighted. Finally the session ended with -

- *Do you have the **Heart to feel**? (feel for the needy, feel for the motherland)*
- *Do you have the **Head to think**? (think of the ways of helping the needy and towards national growth)*
- *Do you have the **Hands to serve**? (Practically working for the deprived and nation)*

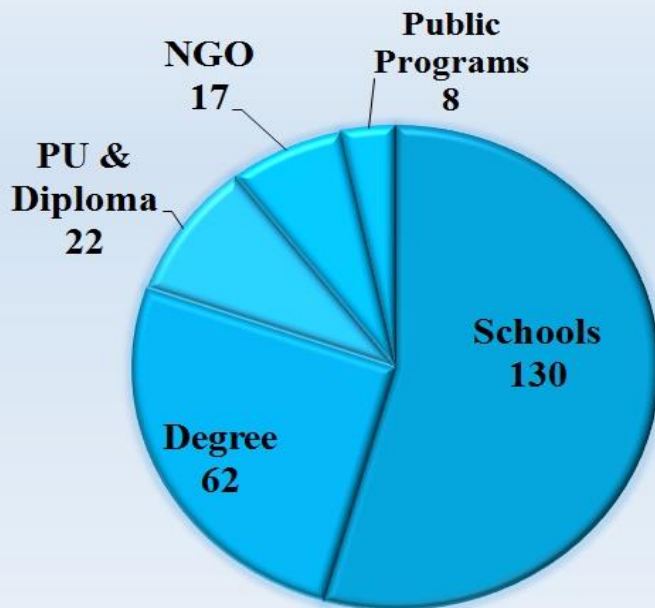

The managements of the institutions were overwhelmed by the response that they received from the students about the program and many institutions have promised us to give workshops for the development of students in coming days. The spark in the eyes of participants inspired Disha Team to build a vibrant India by transforming oneself.

Prof. Radhakrishna (Principal, mLAC) and Hiriyantha (Representative, The Mythic Society) also graced the occasion.

Initially an introduction to Disha and report of Vivekananda Jayanti was given to the august audience which was followed by the introduction of highly accomplished chief guest and other dignitaries on the stage.

In the address, **Dr. Arathi** stressed on the need to have the holistic education, importance of taking up responsibilities in life, facing the challenges of life by taking the messages from Swami Vivekananda.....

After the Chief Guest's talk, the **Presidential Address** was delivered by **Prof. Radhakrishna** expressing his views relevance of Swamiji's idea of youth development towards nation's progress.

Inauguration was followed by **Inter-Collegiate competitions** for students. There was an overwhelming response from many institutions of the city for the event. Totally; there were nearly **800 participants from around 60 institutions** to participate in 4 competitions.

**123 students from colleges** participated in the **Speech Contest** in Kannada and English on the topic "*One quote of Vivekananda that inspired me the most.*" The spirit and their deep knowledge about Swami Vivekananda captivated the audience and the judges alike. Although there was a drastic increase in the number of participants, the judges encouraged the students and provided valuable feedback to each one of them.

**Street Play** witnessed **20 teams from various institutions** participating enthusiastically with their creative presentations on "Corruption in daily life" or "Peep into the future". The teams presented their unique ideas through their dialogues and minimum costumes without even props or music or any instruments. The judges were awestruck by the performance of the students, their team work, ideas and their imagination.

**180 teams participated in the Super Minute Dhamaka** that centered on the theme of "*Bharat Ek Khazana*". Arranging the beads tested their hand-eye coordination, dumb charades challenged their creativity. The students not only enjoyed the activities, but took away a lot of information on India about our ancient glory, general facts and current affairs.

A **Smart Selfie** contest based on the theme of "*Vibrant India*" was also held for the first time to make the youth themselves get the perception of youth towards India. The participating teams were given 2 hours of time to shoot a video or pictures on the theme and compile it into a 4-minute presentation for the judges. **82 teams** participated, showcased their extreme creativity and amazed the judges with their stunning videos and slideshows.
